Introduction

- Countries try to achieve a competitive advantage in the global market through regionalism to solve commercial and economic issues on a regional scale.
- The Eurasian Economic Union is an international organization for regional economic integration, which has an international legal personality.
- This union was formed in 2015, including five countries: Russia, Kazakhstan, Armenia, Belarus and Kyrgyzstan.
- The Eurasian Economic Union has an area of 20 million square meters and a population of 183 million people.
- The trade volume of this union with the world in 2021 was 985 billion dollars.
- The Shanghai Cooperation Organization has 9 permanent members and 3 observer members, including China, Russia, Iran, India, Kazakhstan, Kyrgyzstan, Pakistan, Tajikistan, Uzbekistan, Belarus, Mongolia, Afghanistan, Armenia, Azerbaijan, Cambodia, Nepal, Sri Lanka, Turkey, Saudi Arabia., Qatar and Egypt

- With 37 million square kilometers, this organization constitutes 28% of the land area of the world and houses 3421 million people.
- The trade volume of member countries of this organization with the world in 2021 was 8171 million dollars.
- Persian Gulf region with 140 million people from 8 countries; It consists of Iran, Saudi Arabia, Qatar, United Arab Emirates, Kuwait, Oman, Iraq and Bahrain, which accounts for 63% of the world's oil reserves.
- The trade volume of the Persian Gulf Cooperation Council with the world in 2021 was 1516 million dollars.

- Iran can be a suitable route for the transfer of goods from east to west via the New Silk Road and China's Belt road (Afghanistan, Tajikistan, Kyrgyzstan, China, Iran). Iran is a country that borders the Eurasian Economic Union member states from the north and the countries of the Persian Gulf from the south. It is also in the best transportation position between the two Caspian Sea and the Persian Gulf.
- The Eurasia Exhibition will be held from December 4 to 7, 2023, with the support of the Iranian Ministry of Mining, Industry, and Trade, and with the approval of Trade Development Organization, in order to strengthen economic ties between the members of the Shanghai Cooperation Organization, the Eurasian Economic Union, and the Persian Gulf nations.
